There's the zingy cocktail sauce—The Islands; a sweet yet hot grilling sauce—The Hunt; a smoky hot sauce—The Bull; a sea salt with a citrusy, garlic tang—The Tropical Sea Salt; and a distinctive bloody Mary mix—The Sun Always Rises, based on the original Bloody Mary from Harry's New York Bar in Paris, France. \$11.99 The Islands Cocktail Sauce | \$11.99 The Hunt Grilling Sauce | \$9.99 The Bull Hot Sauce | \$11.99 The Tropical Sea Salt | \$13.99 The Sun Always Rises Bloody Mary Mix | ehgourmet.com

Inspired by Hemingway's residence in Havana, Cuba—a combination of imported sea salt, granulated garlic and a pinch of lemon and lime zest.
